

Attention Indian River Charter High School students and families:

Please be advised that IRCHS is taking all measures to prepare our students and families for possible school closure. **Until further notice, school will continue as regularly scheduled.** We ask that you help keep our students and staff safe by staying informed, encouraging and practicing good hygiene, and staying home or keeping children home if they are running a fever or are exhibiting signs of illness. Please visit www.IRCHS.org and our social media as we continue to update those platforms.

All students will be issued a Chromebook on Friday, March 20th prior to spring break in the event that schools are closed.

Please note that students will be bringing home an acceptable use policy form this weekend. Please make sure that this form is returned and signed by Tuesday, March 17, 2020.
